A romantic getaway to the great classic of Barcelona

On Valentine's Day, the Claris makes you fall in love again

**Sleep among works of art, a winter terrace, gastronomy and spa,
next to Paseo de Gracia**

Claris Hotel & Spa will make you fall in love again and offers a complete experience to enjoy a romantic getaway, for Valentine's Day. The Claris combines **luxury, elegance, gastronomy and art** in every corner of the hotel. Located next to Paseo de Gracia, "**El Claris**", as it is known by locals and visitors, is a hotel of reunion, detail, and special moments.

The proposal is to sleep among millenary works of art, enjoy a classic dinner in its exclusive Claris Terrace and enjoy a relaxing massage for two. Claris Hotel & Spa invites you to return to the origins, to the essence of luxury, to enjoy love in its broadest sense: as a couple, taking care of yourself and being fully connected to the city.

The gastronomy of the Claris returns to a clear **classic** accent, without any artifice, which represents a **comeback to the luxury** of the best product, in an elegant and seductive atmosphere. Its winter terrace, the must-see Terraza del Claris, also has a signature cocktail service, tasting menus and a seasonal menu in whose dishes such as hare a la *royale*, hake in clay or *pâté en crôte* stand out once again. The Claris has specially designed a menu for Valentine's Day, with seasonal ingredients such as calçot, venison, eel, lychees and caviar, which combine aphrodisiac touches in the form of flowers, spices and seafood.

To complete the experience, the Claris features the Mayan Secret Spa, a temple of **wellness** and personal care, based on the secrets of the **Mayan culture**.

Price for 2 persons - *Stay & Love* package in Claris Hotel & Spa: 285 euros.

Special Menu for Valentine's day: 85€ per person – available from the 10th to the 14th of February.
